Member Benefits

Advanced Booking

Members receive monthly credits that can be used for advanced bookings of simulator bays. The number of credits, and times those credits can be used varies by membership type (See next pages for detail)

Walk-in Play

As a member, you also have unlimited access to walk-in use of all simulator bays. If there is a bay available, members are welcome to use it without spending on of their allotted monthly credits.

Full use of Club Facilities

Members are welcome to hang out at the club during all open hours, even if they choose not to play golf. The club provides free high-speed WiFi and ice water while you work, relax, or socialize.

Discounts

Members receive 15% off all retail items (excluding food & beverage). Members will also receive a 20% discount on leagues, ticketed events, and any simulator reservations after all monthly credits are used.

Member-Only Events

Throughout the year, we will host a number of member-only tournaments and events (club championship, member/guest tournament, couples night, etc.)

Membership Options

Off-Peak Membership

Geared towards local individuals looking for weekday access to practice, work on their swing, or play a quick round. **\$200 per month**

Full Membership

Geared towards members looking for a combination of practice time and social or group play on the simulators. Includes one free guest each visit. **\$285 per month**

Corporate Membership

For local small businesses, we can customize a package with multiple named members and hours fit to your needs. **Contact us for personalized pricing**
